OVER MANY HORIZONS
Over Many Horizons
Keith Armstrong

Exhibition 2 August - 23 September 2016
Opening Tuesday 2 August 6 – 8pm

*Over Many Horizons* investigates the environmental, social and cultural ecologies that form our worlds, asking how we might reinvent ourselves as a future-sustaining species.

Visit [art.uts.edu.au](http://art.uts.edu.au) for full schedule of talks and workshops for National Science Week, Sydney Science Festival and Sydney Design.
